Please note that only electronic versions submitted via the online form will be accepted.

Once you have submitted your proposal, you will receive an email confirmation containing a copy of your submission.

This Form consists of five parts as outlined below:

- Part 2: WORKSHOP COORDINATOR
- Part 3: WORKSHOP THEMATIC FOCUS
- Part 4: WORKSHOP EXPERTS
- Part 5: ADDITIONAL INFORMATION

Part 1: WORKSHOP FORMAT

What workshop format is requested? Tick one only*

Interactive Circle

This is a fishbowl-style, interactive set up. Conversation and debate with the audience is encouraged; lengthy presentations and PowerPoints are discouraged.

Panel Debate

This is a traditional panel set up, with a table at the front of the room facing the audience. Fewer presentations and more discussion is ideal. Good moderation is key; welcoming questions from the audience is essential.

Design tips:

- Provide clear **follow-up** actions.
- Incorporate a **diversity** of gender, sector, race, geographic and other perspectives among panellists or contributors, including people with direct community-level experiences of corruption.
- Focus on the **solution tools and novel approaches**.
- Consider:
 - including a call for action.
 - Addressing how to scale up investment in solutions.
 - What insights new or younger voices might offer.
 - How to involve business in the solutions.

If you are submitting more than 1 proposal as an individual or an organisation, indicate the order of priority for this proposal.

Highest priority (1) and lowest priority (3). Tick one only.
