Part 1: WORKSHOP FORMAT

What workshop format is requested? Tick one only*
□ **Interactive Circle**
This is a fishbowl-style, interactive set up. Conversation and debate with the audience is encouraged; lengthy presentations and PowerPoints are discouraged.

□ **Panel Debate**
This is a traditional panel set up, with a table at the front of the room facing the audience. Fewer presentations and more discussion is ideal. Good moderation is key; welcoming questions from the audience is essential.
